SPECIAL EXHIBITION

This edition of TEFAF features an extraordinary loan exhibition from Mobilier national, the French agency which furnishes and preserves the thousands of pieces of important furniture and objects which are part of the collections of public buildings in France and abroad. Located on the first floor of the fair, the exhibition highlights iconic pieces of the Mobilier national collections which spread over more than four centuries, from the time of Louis XIV to the present.

SHOWCASE

This year, TEFAF has expanded its Showcase section, which features emerging and newer galleries that are between three and ten years old and whose breadth of expertise mirrors the scope of TEFAF Maastricht as a whole. Explore these exhibitors on the first floor of the fair.

TEFAF MUSEUM RESTORATION FUND - STAND 804

A special highlight at this year's edition of the fair is a digital presentation of the TEFAF Museum Restoration Fund (TMRF) 2023 restoration grant recipient—Michaelina Wautier's (1604–1689) *Two Girls as Saints Agnes and Dorothea* (c. 1650) from The Royal Museum of Fine Arts Antwerp (KMSKA) Belgium. Since 2012, TEFAF has supported the international art community's vital work to preserve artistic and cultural heritage through TMRF restoration grants throughout the world.
