YOUR ACCESS TO THE ART WORLD

As a non-profit organization, The European Fine Art Foundation (TEFAF) champions expertise, quality, and variety in art by creating a community of the world's top art dealers and experts to attract, connect, and inspire art lovers and buyers from around the world.

Since 1988, TEFAF exhibitors annually present to new and established art collectors from all over the world museum-quality artworks in Maastricht and since 2016 in New York.

TEFAF Maastricht showcases art from a wide range of collecting categories and time periods from Ancient Art, Antiques, Sculpture & Works of Art, Old Master & 19th Century Paintings, Modern & Contemporary Art, Jewelry and Works on Paper.

TEFAF sets itself apart from every other art fair in the thoroughness of its vetting, the process of making sure that each presented artwork is checked by independent academics, curators, conservation scientists and scholars.
